

**Featured Industry:** Additive Manufacturing / 3D Printing

**Product Application:** Phenolic Curing, Additive Manufacturing Casting Molds

**Heat Source:** Electric Convection (65kW) & INTEK OM Emitters (65kW)

**Special Features:** Independent Dual Heating Technology, Schneider PLC/HMI controls, Heavy duty Product Cart, Variable Speed Powered Exhaust,

**Date of Manufacture:** 11/21/2017 & 01/16/2018
